DENTAL TREATMENT CONSENT FORM

Patient Name _____

Birthdate _____

Please read and initial the items checked below. Then read and sign the section at the bottom of form.

 1. WORK TO BE DONE

I understand that I am having the following work done: Fillings _____ Bridges _____ Crowns _____ Extractions _____
 Impacted teeth removed _____ General Anesthesia _____ Root Canals _____ Other _____
(Initials _____)

 2. DRUGS AND MEDICATIONS

I understand that antibiotics and analgesics and other medications can cause allergic reactions causing redness and swelling of tissues, pain, itching, vomiting, and/or anaphylactic shock (severe allergic reaction).
(Initials _____)

 3. CHANGES IN TREATMENT PLAN

I understand that during treatment it may be necessary to change or add procedures because of conditions found while working on the teeth that were not discovered during examination, the most common being root canal therapy following routine restorative procedures. I give my permission to the Dentist to make any/all changes and additions as necessary.
(Initials _____)

 4. REMOVAL OF TEETH

Alternatives to removal have been explained to me (root canal therapy, crowns, and periodontal surgery, etc.) and I authorize the Dentist to remove the following teeth _____ and any others necessary for reasons in paragraph #3. I understand removing teeth does not always remove all the infection, if present, and it may be necessary to have further treatment. I understand the risks involved in having teeth removed, some of which are pain, swelling, spread of infection, dry socket, loss of feeling in my teeth, lips, tongue and surrounding tissue (Paresthesia) that can last for an indefinite period of time (days or months) or fractured jaw. I understand I may need further treatment by a specialist or even hospitalization if complications arise during or following treatment, the cost of which is my responsibility.
(Initials _____)

 5. CROWN, BRIDGES AND CAPS

I understand that sometimes it is not possible to match the color of natural teeth exactly with artificial teeth. I further understand that I may be wearing temporary crowns, which may come off easily and that I must be careful to ensure that they are kept on until the permanent crowns are delivered. I realize the final opportunity to make changes in my new crown, bridge, or cap (including shape, fit, size, and color) will be before cementation.
(Initials _____)

 6. DENTURES, COMPLETE OR PARTIAL

I realize that full or partial dentures are artificial, constructed of plastic, metal, and/or porcelain. The problems of wearing these appliances have been explained to me, including looseness, soreness, and possible breakage. I realize the final opportunity to make changes in my new dentures (including shape, fit, size, placement, and color) will be the "teeth in wax" try-in visit. I understand that most dentures require relining approximately three to twelve months after initial placement. The cost for this procedure is not included in the initial denture fee.
(Initials _____)

 7. ENDODONTIC TREATMENT (ROOT CANAL)

I realize there is no guarantee that root canal treatment will save my tooth, and that complications can occur from the treatment, and that occasionally metal objects are cemented in the tooth or extend through the root, which does not necessarily affect the success of the treatment. I understand that occasionally additional surgical procedures may be necessary following root canal treatment (apicoectomy).
(Initials _____)

 8. PERIODONTAL LOSS (TISSUE & BONE)

I understand that I have a serious condition, causing gum and bone infection or loss and that it can lead to the loss of my teeth. Alternative treatment plans have been explained to me, including gum surgery, replacements and/or extractions. I understand that undertaking any dental procedures may have a future adverse effect on my periodontal condition.
(Initials _____)

I understand that dentistry is not an exact science and that, therefore, reputable practitioners cannot guarantee results. I acknowledge that no guarantee or assurance has been made to me by anyone regarding the dental treatment that I have requested and authorized for my self or my minor child. I have had full opportunity to discuss and ask questions regarding the dental treatment, and all questions have been answered to my satisfaction.

 Relationship to Patient:

PATIENT CONSENT FORM

The Department of Health and Human Services has established a "Privacy Rule" to help insure that personal healthcare information is protected for privacy. The Privacy Rule was also created in order to provide a standard for certain health care providers to obtain their patients' consent for uses and disclosures of health information about the patient to carry out treatment, payment, or healthcare operations.

As our patient we want you to know that we respect the privacy of your personal dental records and will do all we can to secure and protect that privacy. We strive to always take reasonable precautions to protect your privacy. When appropriate we provide the minimum necessary information to only those we feel are in need of your health care information. This includes information about treatment, payment and/or health care operations in order to provide health care that is in your best interest.

We also want you to know that we support your full access to your personal dental records. We may have indirect treatment relationships with you (such as laboratories that only interact with doctors and not patients), and may have to disclose personal health information for purposes of treatment, payment, or health care operations.

You may refuse to consent to the use or disclosure of your personal health information, but this must be in writing. Under this law, if you refuse to disclose your Personal Health Information, we have the right to refuse to treat you. If you choose to give consent in this document, at some future time you may request to refuse all or part of your PHI. You may not revoke actions that have already been taken which relied on this or a previously signed consent.

If you have any objections to this form, please ask to speak with our HIPAA Compliance Officer. You have the right to review our privacy notice, to request restrictions, and revoke consent in writing.

As part of this plan, we have implemented a Compliance Program that we believe will help us prevent any inappropriate use of PHI.

We also know that we are not perfect! Because of this fact, our policy is to listen to our employees and patients without any thought of penalization if they feel that an event in any way compromises our policy of integrity.
